

ElectionDriver

```
classDiagram
    class ElectionDriver
    class OPLDriver
    OPLDriver --|> ElectionDriver
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled "ElectionDriver". Below it is a gray rectangular box labeled "OPLDriver". A solid blue arrow points vertically from the top center of the "OPLDriver" box to the bottom center of the "ElectionDriver" box, indicating that "OPLDriver" inherits from "ElectionDriver".
